Category DEPENDENT / DEPENDENT CARE

Read & Acknowledge
I understand my eligibility is based on my marital and dependency status and failure to claim all my dependents may result in my involuntary separation from the Air Force. I have read and understand the following definitions the Air Force considers a dependent for accession purposes. 1. A spouse. 2. Any person under the age of 18 for whom the applicant or spouse has legal or physical custody, control, care, maintenance, or support. Includes children from a previous marriage, a relative by blood or marriage and stepchildren or adopted children of the applicant or spouse. 3. Any unmarried natural children of the applicant or spouse regardless of current residence. For male applicants, the term natural child includes those born out of wedlock. 4. Any person who is dependent upon the applicant or spouse for their care, maintenance, or support regardless of age. 5. FOR MALE APPLICANTS ONLY. An unborn child of the spouse or one claimed by or a court order determines is his.

Acknowledge

Read & Acknowledge
I understand it is my responsibility to provide legal documents (marriage certificate, birth certificate, etc.) to substantiate my dependent(s) and it is my responsibility to support myself and my dependent(s) on the pay and allowances I receive. I also understand arrangements for care of my dependent(s) is my personal responsibility and will not interfere with my assigned Air Force duties, including shift work, weekend duty, temporary duty away from my assigned duty station and short notice deployments and evacuations. I further understand my dependent(s) will not prevent me from being available for worldwide assignment and failure to perform my military dependent(s) may result in disciplinary action, to include involuntary discharge.

Acknowledge

Read & Acknowledge
I understand if applying for an enlisted program, my dependent(s) are not permitted to accompany me during basic training, and it is recommended they not accompany me during any technical training. If applying for an officer program, it is strongly recommended my dependent(s) not accompany me while attending training. I also understand government family quarters are assigned based on application date, grade, date of grade, number of dependents, and availability.

Acknowledge

Figure 2.13. Read and Answer Items in Dependent / Dependent Care

Questions/Acknowledgements ✕

Read & Acknowledge

I understand military couples with dependent(s) are required to make dependent care arrangements that allow both members to meet all military obligations and duties. I also understand each member is considered to be serving in his or her own right and must be available for worldwide assignment regardless of marital or dependent status. Additionally, I understand married Air Force couples may apply for a joint spouse assignment but there is no guarantee they will be assigned together.

Acknowledge

Read & Acknowledge

I have read the information on this form and understand how it applies to me and my dependent(s). I also understand the needs of the Air Force come first and I may be involuntarily discharged should I violate any of these provisions. I certify the information on this form is of my personal knowledge and is true and correct and my recruiter did not advise me to conceal any dependency information.

Acknowledge

Read & Acknowledge

I have been briefed on the Air Force policies concerning family care responsibility and family care responsibility as an AFROTC retention standard. (A family member is any person over whom I have legal or physical custody or control, or who relies primarily upon me for their care, maintenance, or support regardless of age). In particular, I understand the following:

a. (Non-contract Cadet) If I am/become unmarried or marry (to include a common-law spouse) a military member (including another AFROTC cadet), and become responsible for any family member incapable of self-care I must acquire and maintain an approved Family Care Plan IAW AFI 36-2908, Family Care Plans, that will adequately cover my time in AFROTC. If I am unable or unwilling to create or maintain such a family care plan, I will no longer meet AFROTC retention standards. In such a case, I would then be subject to disenrollment from AFROTC for failure to maintain military retention standards. If I am disenrolled, I will also be subject to recoupment of my scholarship benefits.

b. (Contract Cadet) If I am disenrolled from AFROTC after becoming a contract cadet I am subject to call to EAD in my enlisted grade, recoupment of scholarship benefits or release. If I have more than two (three with an approved waiver) dependents incapable of self-care I do not meet enlisted accession standards and cannot be subject to EAD in my enlisted grade. I can only be subject to recoupment or release.

Restrictions on Personal Conduct in the Armed Forces:

1. Military life is fundamentally different from civilian life. The military has its own laws, rules, customs, and traditions, including numerous restrictions on personal behavior, that would not be acceptable in civilian society. These are necessary because military units and personnel must maintain the high standards of morale, good order, discipline, and unit cohesion that are essential for combat effectiveness.
2. The Armed Forces must be ready at all times for worldwide deployment. Military law and regulations, including the Uniform Code of Military Justice, apply to service members at all times, both on base and off base, from the time the member enters the service until the member is discharged or otherwise separated from the Armed Forces.
3. Members of the Armed Forces may be involuntarily separated before their term of service ends for various reasons established by law and military regulations, such as:
 - a. A member may be separated for a pattern of disciplinary infractions, a pattern of misconduct, commission of a serious offense, or civilian conviction.
 - b. A member who has been referred to a rehabilitation program for personal drug and alcohol abuse may be separated for failure through inability or refusal to participate in, cooperate in, or successfully complete such a program.
 - c. A member may be discharged by reason of parenthood, if it is determined the member, because of parental responsibilities, is unable to perform his or her duties satisfactorily or is unavailable for worldwide assignment or deployment.
 - d. A member may be separated for failure to meet service weight control standards or physical fitness standards.
 - e. A member may be separated for harassment of or violence against any service member.

Read & Acknowledge
I understand that membership in the General Military Course (GMC) or attendance at Field Training (FT) does not guarantee that I will be accepted into the Professional Officer Course (POC). I understand that if I am not on scholarship, attendance at FT does not guarantee or commit me to enter the POC. GMC scholarship cadets who attend the first AS 200 class or Leadership Laboratory incur an Active Duty Service Commitment and are liable to call to extended active duty or recoupment (which includes payback of scholarship benefits received during the AS 100 year).

The screenshot shows a web interface titled "Civil Involvements" for a user named "Beacadet, Iwanna". The page includes a "User's Guides" section with two links: "1 - Report an involvement" and "2 - Provide additional details". The main content area contains three paragraphs (A, B, and C) detailing reporting requirements. Paragraph A states that the Detachment Commander must know if the user has ever been arrested, convicted, or involved with law enforcement officials, regardless of the insignificance, disposition, or finding. Paragraph B requires reporting any civil involvements within 72 hours of occurrence. Paragraph C warns that concealing or failing to report an involvement may result in elimination from the Air Force ROTC program. At the bottom of the page, there is a "No Civil Involvements Recorded" status and a red-bordered "Add an Involvement" button.

A. The Detachment Commander must know if you have ever been arrested, convicted, involved with law enforcement officials or authorities for him/her to determine if you meet the character requirements for membership in Air Force ROTC. It is necessary for you to report any involvement with civil, military, or school authorities/law enforcement officials REGARDLESS OF ITS INSIGNIFICANCE, disposition, or finding on the certification provided below. Include traffic violations and any incidents which resulted in your being judged a juvenile offender. A finding of not guilty or advice by an attorney, court official, or anyone else to consider you record as clear DOES NOT constitute authority to leave the involvement off of the certification.

B. In the future, you must report any civil involvements to the Detachment Commander or his/her designated representatives WITHIN 72 HOURS following its occurrence. If such incidents occur during a period of leave from the institution (e.g., student teaching or foreign study), attendance at Field Training, or during normal vacation periods, the 72-hour time limit will apply effective with the official date of your return to the institution.

C. Concealing or failing to report an involvement with civil, military, or school authorities/law enforcement officials, giving false information or claiming subsequent to initial certification that you were unaware of the contents of this document may result in elimination from consideration for membership in the Air Force ROTC program; or, if already a member, may result in your discontinuance from the Air Force ROTC program. The information reported on this certification from will be treated as confidential matter, subject to the provisions of the Privacy Act of 1974 and the Freedom of Information Act.
